Participation Requirements

Eligibility for Participation in ECSC GR Quals 2021

Please read the rules below carefully!

- All players in order to qualify to the final round must be between **14 26**.
- Any players born outside this timeframe cannot participate in the qualification round.
- This age frame applies only for this year's qualification round.
- The final team of ten representing Greece at the ECSC Finals won't be formed based on their ECSC Quals CTF rank. It will be determined based on their performance and attendance during the National Team Training Sessions hosted after the CTF.
- Players are required to have a Greek Nationality.
- Registration will be performed in the link <u>here</u> and the CTF Password needed to access the event will be shared closer to the event.

HTB Registration

How to register to the CTF platform

First step you have to do is create a new account!

- Go to <u>https://ctf.hackthebox.eu/register</u> and create an account
- If you have already an account go ahead and login with the existing one
- This account is not the same with your Hack The Box account so you need to create a new one

Hacking Time!

Let The Journey Begin

A variety of challenges will be available for all levels of hacking expertise. Take your time to not only solve them but to learn as much as possible!

How to start your Docker Instance

It is time to spawn and start hacking!

 On the right side of the challenges there is a button to start/stop each docker instance.

2.

- 3. If there isn't a docker instance download the content and start hacking.
- 4. Some challenges might have a docker **and** a downloadable part!

How to Submit a Flag

Submit that Flag!

After finding the awesome flag don't forget to submit it to prove your progress, climb the scoreboard and win the awesome Prizes!

SUPPORT

Support Time!

How to get in touch for support!

- Support for the CTF for any technical issues will be done via HTB Discord.
- During the CTF response will be immediate, we will do our best effort to reply in a timely manner out of hours!
- Join our Discord Channel here: <u>https://discord.gg/hackthebox</u>

Add yourself to support channels

Time to message the HackTheBoxBot

Find the HTB Bot on the right side of the server under **the Discord Administrator** role and select it to send a direct message.

Support Process Completed

Time to chat!

- Now you are added to the exclusive ECSC Quals 2021 Support Channels!
- In this channel only people that have registered to the CTF have access, so do **not** distribute it to anyone!
- Send any questions about technical issues you may face, and check announcements for any updates.
- If for any reason you cannot be added to the CTF contact r0adrunn3r#1337, or makelaris#4344

Rules

Rules

All rules you must follow for the CTF

- 1. It is strictly forbidden to perform any kind of Denial of Service or any other unwanted actions against the servers or associated infrastructure.
- 2. Do not try to brute force the flag submission system.
- 3. Do not perform any unwanted actions against other teams/members.
- 4. Do not try to exchange flags/write-ups/hints of the challenges during the competition with other teams participating or to other external entities.
- 5. Do not distribute the content of the CTF (the challenges) to third party entities for help.
- 6. All teams must be consisted with **maximum 1 member**. Teams with more members will be disqualified.
- Behaviour in Discord and towards other players or HTB Team must comply with our <u>ToS</u> (section 9). Failure to do so will result in the appropriate penalty.
- 8. Please familiarise yourself with the <u>ToS</u> in place regarding our content and intellectual property.
- 9. Any violation of these terms will automatically disqualify the player from the competition.
- 10. Let the scoreboard go on 🔥 Good Luck!

Enjoy and Capture The Flag
